

CHIRAG
JEWELLERS

Touch up your inner *shine*

While you look for that flawless combination of cut, clarity, colour and carat weight, Chirag satiates your search with the exquisite collection of the rarest diamonds.

Started in 1972 by late Rameshchandra Shah in Kolkata, Chirag has been practicing the art of making perfect diamonds. Matching with the standards of GIA and IGI, Chirag crafts each diamond with precision that makes it a timeless piece and adds an incomparable elegance to the one who owns it.
